The weather was warm and sunny, approximately 75 degrees at 10 AM for the 1500m,
and approximately 85 degrees at 1PM for the 5000m.

Both races were clean, with no DQ's,
although there were two athletes who decided to drop out of the 5000m because of the heat.

Judges: Becky Klein (chief judge), Art Klein, and Sandy Backer (1500m ... the 5000m was monitored, not judged)

Sports Chairs: Alex Price and Art Klein

Meet Director: Leroy Milam

Bay Area Senior Games Directors: Anne Cribbs and Helen Mendel

And numerous other volunteers - timers, lap counters, water table, ...
without whom this race would not have been possible.

Age Notes: the age divisions are set based on the athlete's age at the end of the year. But the age graded
percentage is calculated based on the athlete's age on race day, as a percentage of world record speed.
